2075 YEARS FROM THE EPOCH

In the aftermath of the nuclear bombing of MEGATOKYO, SHIROW bin SONY walks with his son, collecting electronics parts from the rubble. Young SHINJI bin SONY trips over some garbage and falls into a puddle.

2099 YEARS FROM THE EPOCH

The city is fully revived. At least, Akihabara is once again a convenient retail environment. SHINJI is now an adult. Hell, he's an Anglican Priest. Frequently, he makes friends on the street.
